Luxury Anti-Ageing Facial

(30 Minutes)

Step 1 Re9 Smoothing Facial Cleanser

Light weight, super hydrating cream cleanser with plant derived moisturiser. Washes away impurities, won't strip your skin of natural oils, leaves skin feeling soft and smooth. Safe to use around eyes. Apply half a pump onto wet fingertips, rub together to lather, then apply in circular motions onto wet face. Rinse with warm water.

Step 2 FC5 New Cell Exfoliating Scrub

Gently exfoliate to reveal fresh new cells. Restores the look of radiant and healthy looking skin.

Apply using circular motions with moistened fingers.

Step 3 RE9 Cellular Renewal Mask

An incredibly unique and innovative masque. Pineapple & Papaya Enzymes. AHAs gently exfoliate the skin by dissolving the glue like substance that binds dead skin cell together, revealing fresh skin cells. Apply generously to face and neck. Leave for 2-5 Minutes depending on the skin level of sensitivity. Tingling and redness are normal when first using this product. Remove with warm water.

Step 4 Genius Nightly Resurfacing Pads

An innovative multitasker with phytinol & retinoid (vitamin A) Improves the overall look and feel of skin texture to re- store a healthy, radiant glow to dull skin. Helps reduce the look of dark spots, fine lines and wrinkles. Gently sweep one pad over the skin concentrating on any areas of concern.

Step 5 Clear Future Soothing Overnight Mask

This lightweight mask helps to calm, soothe and hydrate skin, and even minimises redness. Apply pea sized amount, thin layer to entire face. Leave on for 10 mins and rinse with warm water. OPTIONAL: Hand Massage with Shea Butter Lotion)

Step 6 RE9 Regenerating Toner

Anti-oxidants and Vitamin B3 in this toner improve hydration (alcohol free and non-drying). Balance pH, removes excess oil and dead skin cells. Lightly spray 1-2 pumps over entire face, or spray onto cotton pad and wipe.

Step 7 RE9 Intensive Renewal Serum

Super concentrated Vitamin C and botanical peptides clinically proven to repair and reproduce collagen to diminish fine lines, wrinkles and pigmentation. Protects the skin from future signs of ageing. Apply one pump to fingertips and gently massage into face and neck.

Step 8 Intelligence Nourishing Facial Oil

A sheer dry oil enhanced with ingredients that contain omega fatty acids 3 & 6 and a super antioxidant to help support luminous skin. Apply 2-3 drops to face after serum

Step 9 Genius Ultra

This device gently warms at the tip while massaging product onto the outer layers of the skin gently using 300,000 ultra sound waves. For use on the face and neck. Set to medium heat level, use in upward circular motions all over face. Concentrate on fine lines and wrinkles.

Step 10 RE9 Corrective Eye Crème

Vitamin B3 hydrates the delicate skin around the eye area and caffeine diminishes puffiness, dark circles, fine lines and wrinkles. Apply ½ pump to middle finger, tap fingers together and gently pat around eye area and any crows feet. The heat from the skin will move the product up under the eye.

Step 10 Lifting and Contouring Eye Creme

This rich cream helps skin look firmer and tighter around the eyes, and feel more plump and cushioned. Ophthalmologist - and dermatologist - tested. Dab a small amount with your middle finger along eyesocket bone using feather light strokes.

Step 11 RE9 Night Repair Cream

Orange stem cells, Vitamin C/B3 hydrates and nourishes skin to rejuvenate & repair collagen while you sleep. Apply pea sized amount to fingertips and spread all over face and neck.
