FAQs

Q: How will it be determined if there is a level that has tied with the number of New Independent Consultant signups?

A: In the event of a tiebreaker, the final level Achiever will be determined by their total PQV for that month.

Q: If I have a Preferred Client who upgrades to Independent Consultant, will that count as one of my new signups?

A: Yes. Preferred Clients who upgrade to Independent Consultants will be included into your monthly count.

Q: How will I be notified if I am a Shining Sponsor Achiever and when can I expect my personalised glass award?

A: The Arbonne AU/NZ Office will contact you by notifying and congratulating you on being a Shining Sponsor Achiever. Because the glass award is personalised, please allow 2–3 weeks after being contacted to receive your award.
